Dog License Application

Boston requires all dog owners to license their dogs each year. A license helps Animal Control support rabies prevention, protect public health, and identify your pet.

Before you start

- Your dog must have proof of rabies vaccination.
- Puppies must be licensed when they reach six months of age.
- You must live in Boston to license your dog through the City of Boston.
- You may be subject to a fine if your dog is not licensed.

What you'll need

- Rabies vaccination certificate
  A photo or PDF of your dog's current rabies vaccination certificate from your veterinarian.
- Credit or debit card
  Visa, Mastercard, American Express, or Discover. A 2.75% service charge applies, with a $1 minimum.

License Period

Dog licenses are valid from April 1 through March 31 each year.

License Fees

Dog type	Sex	Annual license fee
Spayed or neutered dog	Female or male	$15
Unspayed or unneutered dog	Female or male	$30

Online payments have a 2.75% service charge, with a $1 minimum. Accepted cards: American Express, Discover, Mastercard, and Visa.

Owner information

Review your contact information and make any necessary updates.

Before you continue

To complete your application:

- You must be at least 18 years old.
- You must provide proof of your dog's current rabies vaccination.
- You must provide proof that your dog has been spayed or neutered, if applicable.
- You must pay any outstanding violations before your application can be completed.
- If the required certificates are not already on file, you must provide them during the application process. Missing documentation may delay or prevent approval.
